# ART AND ADDICTION

## CALL TO ARTISTS

\_\_\_\_\_ (Name of Sponsors) are pleased to issue a *Call to Artists* to appear in an exhibition on substance abuse, addiction and recovery. The purpose of this exhibition is to provide a stimulus to change the way America views addiction by using the visual arts to put a human face on addiction and recovery. Creativity and artistic expression play a significant role both in recovery and in raising awareness of the personal toll caused by substance abuse and addiction. Organizers of this event believe that art can help bridge the gap between addiction science and the human experience of addiction; providing insights that will complement the science of understanding and treating addiction. This exhibition will be held in \_\_\_\_\_ (Gallery Location).

Artists are invited to submit original artwork on the theme of drug addiction and recovery (drugs include alcohol, tobacco, illegal, or prescription drugs). The juror(s) for the exhibition will be \_\_\_\_\_ (Names of juror(s), titles, and affiliations).
